

What is the campaign about?

Gateway Pregnancy
Center
Baby Bottle Campaign
2005

What is a Baby Bottle Campaign?

Each family or family member who would like to assist Gateway takes a baby bottle home. Place the bottle in a central part of your home, perhaps a kitchen counter. Use it to collect your spare change and dollars for Gateway.

Baby Bottle donations will help us provide for:

- Free pregnancy tests
- A free sonogram (when appropriate) to verify a pregnancy
- Chastity literature distributed in schools and churches
- New Testaments given to all who come to Gateway
- Videos to show the reality of life to women and their boy friends or husbands

But, most important of all it will help bring the Gospel to pregnant teens and adults.

*January 23-
February 27, 2005*

Thank you for your participation in this event!
